If the exhibitor start making retail sales at his stand, he fulfill all the damages that Orion Fuarçılık has to face and also beyond the damages he has to pay the penalty EUR 7.000 (Seven Thousand Euro) as well.

13) The exhibitor undertakes to take part in the exhibition by his desire and freedom without being under any compulsion.

14) The customer rented the stand can not lease his stand to third parties in any way.

V. Principles of Service Delivery

A- The Project Applications at Stand Construction that are belong to the Customer

1) The exhibitor as he is the responsible for all applications for his stand, can make his stand done by any supplier that he wants on the verge of all the expenses of the decoration for interior and exterior stand construction. Therefore, there will be no demand requested by the exhibitor or a supplier.

2) The parcels and corner spots of the empty space reserved for the exhibitor will be delivered as colour marked to the exhibitor or a supplier two days (2) before the start date of the exhibition at 9:00 am by the authorized of Orion Fuarçılık.

3) The architectural projects that the exhibitor would prepare by his own for his stand must be approved by Technical Office of Exhibition Center on time, on the date specified. Orion Fuarçılık has the right to check the overall structure and compliance with the technical requirements of the projects and to suggest an alteration and to refuse.

4) The Exhibitor and his contractor must comply with the general safety and hygiene rules during their stand construction. It is not allowed any application such as using water, electricity, compressed air, communication lines, waste water located on the floor of the fair area channels may interfere with the operation of systems.

5) It is not allowed to block fronts of the fire cabinets, ventilation covers and emergency exit routes.

B-The Project Applications at Stand Construction that are belong to Orion Fuarçılık

1) The exhibitor may request a standard stand or an empty stand from Orion Fuarçılık at this contract. Orion Fuarçılık is free to accept or reject the allocation of the participation's this request within the framework of the participation agreement.

2) The standard stand prepared by Orion Fuarçılık consists the aluminum profiles which are in 2.5m height white wooden partition panels and the top link profiles. Also, the standard stand is a structure which is prepared in desired sizes as partitioned or without partitioned, and which provides 75 watt illumination for each 3 m2 and which has the written stand name of the exhibitor company on the top of the stand.

3) Orion Fuarçılık hands the stand in to the exhibitor two (2) days before the opening date of the exhibition at 9:00 am . The exhibitor is obliged to make his stand, which was given him by Orion Fuarçılık, ready to be exhibited before the opening day of the fair until 23:00. Otherwise, Orion Fuarçılık takes the designs, materials, which are remained after 23:00, out of the fair area and collects the costs that may consist from the exhibitor.

4) The exhibitor is obliged to use his stand without any damage. It is forbidden to hole drilling, drive a nail, paint, tape any kind of material with glue except using the double sided/ non-marking adhesive, on the stand area which is given him ready to use, and on the aluminium materials and slat panels. Otherwise, the exhibitor will compensate both these damages and any damage that he cause in the fair area in cash. The participant can not take out exhibited products without paying compensation for damages of the exhibition area.

VI. BASIS OF ADMINISTRATIVE

1) Orion Fuarçılık has full authority from the beginning of the entrance to the exhibition area until the end of the exit at the fair area.

2) The exhibitor can exhibit his goods and services, special promotional activities at the fair ground, at the plot allocated for him.

3) The exhibitor can not lease the stand allocated for him to another person or assign it to others for any reason.

4) The exhibitor will provide an employee at his stand from the date of opening of the fair at the latest at 9:00 every day and he will leave his stand at closing time.

5) Maximum stand heights at exhibition area permitted by Orion Fuarçılık are specified in below. The exhibitor is obliged to comply with the height limitations at exhibition stand construction and placement of materials, height limits and passes between halls.

a- It is maximum heights (6) meters at Hall A1, A2, A3, A4, B1, B2, B3, B4, C1, C2, C3, C4, D1, D2.

b- It is maximum heights (3) meters at Technical Office, Wc, Board Rooms and Side stands leaned to the transition walls between the hallways.

6) The practices which are dangerous and environmentally harmful are prohibited such as cutting a raw material, painting with spray gun, welding

Orion Fuarçılık has the right to refuse events that may cause problems for other participants and Orion Fuarçılık with the security and application method which is stayed out the scope of the Fair Project. The exhibitor should avoid practices that will make the public announcements system can not be heard and that will prevent the activities of other participants.

Otherwise, Orion Fuarçılık, has the right to intervene and urgently stop and fix the issue.

13) The level of sound broadcasting should be set not to be exceed 70DB for the promotional activities around the boundraies of the stands. The exhibitor who does not adapt this limitation will be warned. If the warning is ignored in the first five minutes then the electriciry of the stand would be cut off for 2 hours. For the second warning then the electriciry of the stand would be cut off until end of the fair. The exhibitor is fully responsible for any damages resulting from the energy cut-off.

14) Orion Fuarçılık provides general fair security services. The security services starts as soon as the companies enter to the fair area in the first day of the fair and finishes at the last day of the fair until the leaving of the companies. Orion Fuarçılık has the right to take security measures if necessary.

The responsibility for securing of personal possessions of the participants are belong to the exhibitors. Orion Fuarçılık does not take any responsibility for the exhibits of the stands. Orion Fuarçılık does not accept any liability for any loss or damage.

Responsibility for the overall security of Orion Fuarçılık, does not cover damage to property and personal injuries.

Orion Fuarçılık does not provide insurance coverage for materials and products of the participants, employees, themselves and their personal belongings. It does not carry any responsibility for the loss and damage that may occur in these matters.

The responsibility in these matters are directly belong to the participants. For this reason, we suggest an exhibitor to make an insurance for himself, his employees and materials and products exhibited in case of against the all types of risks.

15) The exhibitor can get his own private security measures depending on the nature of material exhibited at his stand.

The exhibitor who will get this own private security is obliged to notify the authority Orion Fuarçılık about this application in writing latest 3 days before the opening day of the fair.

Orion Fuarçılık has the right to refuse the security services of the exhibitor which is under its own quality standard.

16) It is forbidden to insert all kinds of flammable, combustible, explosive, nuclear, biological, chemical material restricted by law that pose a threat to human health and the environment to the fair area. All kinds of transportation vehicle fuel tanks, which will be exhibited, should be empty during the fair.

17) Fair organizers, without any prior warning and the decision of the court, has the right without the obligation to pay compensation, not to let an exhibitor who does not comply the general conditions of participation, disturbs the peace of the fair environment, adds supplements to the stand area which he rents, and brings unwanted substances in the fair. Orion Fuarçılık also has the right for the exhibitor mentioned above to close his stand and not to have him to exhibit his properties.

18) Orion Fuarçılık will provide two forklifts and one crane to be used during the stand settlement and evacuation of the companies at exhibition area on **February 4-5, 2020 and February 10, 2020** (two days before the start of the fair and one day after the end of the fair). There will be no fees requested for this service.

The stand preparatory working of the exhibitor should be done at latest 31 January 2019 at 23:00. Otherwise, the exhibitor should pay EUR 100 (A Hundred Euro) for each delayed hours to Orion Fuarçılık. The delayed time should be maximum for two hours.
