

AGROCENTAR, GORNJI VAKUF-USKOPLJE

| | |
|---|--|
| Project title | Expanding production of dairy products to achieve full capacity dairies and opening up new markets, as well as the production of bottled water |
| Sector | Agriculture, production of milk and dairy products as well as water bottling plant. |
| Location | Central Bosnia, Gornji Vakuf- Uskoplje |
| Location description | The dairy has a direct exit to the regional road M-17 (Bugojno-Gornji Vakuf Uskoplje - Mostar) and has a very favourable geographical position that allows easy access to all road communications in BiH. Distance from Sarajevo is app. 130 km, while the distance to the first railway route which is located in Jablanica about 50 km and from the sea port of Ploce app. 160 km. |
| Company description | Agrocentar d.o.o. (production of milk and milk products as well as water bottling plant) was established in 2000 with 100% private domestic capital and currently has 14 employees. The Company operates on the site which is the leader in breeding of cattle and has low levels of air pollution, providing the raw material (milk) above average quality. Current production (milk and water) offers possibilities of expanding similar activities: production of juices, jams, cakes etc. |
| Project status | Completed a feasibility study, looking for a foreign partner and investor |
| Project description | <ul style="list-style-type: none"> - Increasing production and sales, market presence and market share; - To build the capacity to process 20 tons of milk on a daily basis; - Creation of a competitive range of products with an adequate marketing strategy; - Provide high-quality raw material base; - Establish bottling plant "Bistrica" and create a strong brand in the field of mineral water, based on its international rating and quality, as evidenced by prizes. |
| Estimated total investment cost | 1.640.000 EUR |
| Inputs provided by local partner | 827.263 EUR - Land and facilities 278.290 EUR - Production equipment and transport vehicles |
| Inputs required from foreign partner | 1.640.000EUR |
| Form of cooperation with foreign partner | Joint venture |
