

## LIVNO CHEESE, DAIRY LIVNO

<b>Project title</b>	Dairy Livno	
<b>Sector</b>	Agriculture and food sector	
<b>Location</b>	City of Livno	
<b>Location description</b>	Dairy Livno is located in Livno, the south-west of Bosnia and Herzegovina. The area is mostly mountainous with great agricultural potential and an extremely preserved and unpolluted environment. There are Livno, Duvno, Glamoc and Kupres field.	
<b>Company description</b>	Dairy Livno is the largest cheese producer in Bosnia and Herzegovina. It buys about 8 million liters of milk annually, employs 50 employees and works with about 300 subcontractors. It is the bearer of international certificates such as ISO9001: 2015 - Product Quality Monitoring System, HACCP - Hygienic and Health Product Safety System, IFS – International Featured Standard and Halal. It was founded in 1970, but organized cheese production began in 1885. From these times to the present, tradition and quality, we are constantly present in the market of the neighboring counties and the European Union. Thanks to the decades of hard work and training, Livno cheese has become a well-known and highly appreciated brand.	
<b>Project status</b>	In progress	
<b>Project description</b>	The company is interested in different forms of investment and business cooperation, whether it is recapitalization, investment in expansion of production capacity, construction of new farms or opening of new markets.
