

SPORTS AND RECREATION CENTER MRACAJ, JAJCE

| | |
|---|--|
| Project title | The construction of the Sports and recreational facility in the Sports centre “Mracaj” |
| Sector | Tourism sector |
| Location | Jajce Municipality |
| Location description | Jajce Municipality is located in the western part of Central Bosnia Canton, in the central part of Bosnia and Herzegovina (BiH). The municipality is connected to the rest of the country with the highways M-5 and M-16. The site of “Sports and recreation centre Mracaj” is placed between main road which leads towards Bosanska Krajina, or towards Sarajevo in opposite side, and River Pliva from another side. Distance of “Sports and recreation centre Mracaj” between famous lake of River Pliva and famous watermills complex called Mlincic is 10 minutes walking. |
| Project status | Concept |
| Project description | The project proposes construction of: 1. Open sports centre - athletic-football stadium with 3000 stands and addition of support football field, basketball field, tennis field and small football stadium with 400 stands. 2. Swimming pool - on the left bank of the Pliva will be combination of indoor and outdoor swimming pools with accompanying facilities. In addition to the pool, there is a gym, a spa, a bowling alley, a restaurant and a coffee shop with capacity of 120 seats. The property has a 24-hour front desk, and pool facilities. Electricity, water, sewage, street lighting, telecommunications and access roads are available directly on the site, as there is already football stadium with stands at left side only. The site is property of Jajce. |
| Estimated total investment cost | 1 700 000 EUR |
| Form of cooperation with foreign partner | Public Private Partnership |
